- ☐ Yes, please send me the book *Herbal Mother Tinctures, Essence and Use* by Roger and Hildegard Kalbermatten, the founder of Ceres Heilmittel AG for the price of \$19.00.

The book presents clear descriptions of the essences of 48 well known medicinal plants. The study of a plant's essence allows the therapist or the patient to establish an internal relationship with the plant, thus permitting a more complete expression of the plant's healing powers.

Ceres Heilmittel AG and Phytodyne of Kentucky, Inc. are FDA registered companies. Ceres mother tinctures, exclusively available from Phytodyne of Kentucky Inc., are listed with the FDA as homeopathic medicaments. Each bottle contains 0.67 fl.oz. (20ml) and is sealed with tamper evident packaging. Product label indications are in accordance with the US Homeopathic Pharmacopia. All Ceres mother tinctures contain ethanol.

For company and product information visit our web site:
